

CONSENT FOR PERSONAL DATA PROCESSING

Please note that your application cannot be processed unless you consent to data processing as follows.

Partners of the STRIKE consortium process and store electronically all information and documentation provided in conjunction with this application for funding and deciding on the application.

Partners of STRIKE store and process the data in accordance with the General Data Protection Regulation (EU) 2016/679.

List of provided Documentation and Personal Data:

- CV,
- detailed academic transcripts (including obtained grades),
- motivation letter,
- a selection of up projects,
- copies of University Master certificates or equivalents,
- contact details (name, title, address, telephone number, email address).

With my signature I give CONSENT for my application documentation and personal data included in it to be shared between members of the STRIKE consortium, for the purpose of selection of PhD candidates.
